

## ORDERING

Place the quantity of each item you'd like to order in the corresponding box, and then add up the order total cost in the far right column. Then give yourself a pat on the back - you're supporting a great cause!

## PRODUCTS

We have Bavarian almonds and sunflower seeds available in all three sizes - prices listed on the flip side of this sheet. The cone bags below are the traditional packaging for our products, but we also have heat-sealed pouches available for \$1 more.
